

Local musician Nick Wilding (violin) is joined by Katherine MacDivitt (violin), Peter Nicholson (cello), Sarah Whiteside (cello), and Aby Vulliamy (viola) to present the first concert by this new quintet.

The String Quintet in C Major was written shortly before Schubert's death and is profoundly lyrical, with delicate extended melody lines.

Join us for what promises to be a memorable evening of music set in the beautiful drawing room of the House of Falkland.

Tickets £5 for Friends and £8 for non Friends from Falkland Centre for Stewardship.

Organic cheese and wine.
